SUPERPOWER
 Are you ready
 to use it?

Chess Wizards is one of the largest chess academies in the nation. Every year since 2002, our interactive, discovery-based curriculum inspires thousands of students and parents to challenge themselves through the Game of Kings (and Queens!). More than just a game of winning and losing, we challenge our students to think ahead, visualize their goals, treat others with respect, and learn from their mistakes. Studies have shown that chess enhances cognitive development, improves scholastic performance and boosts confidence... plus it's a game kids can enjoy their whole lives!

LET YOUR CHILD BE PART OF THE FUN AND JOIN THE CHESS WIZARDS COMMUNITY TODAY!

Chess Wizards has an exclusive partnership with ChessKid.com a safe and secure online chess server designed just for kids. Students can play each other across the country, do chess puzzles, participate in online tournaments, and more! All content is parent-controlled. If you'd like to purchase a full-access year long Gold membership for \$25.00 (a 50% discount) please add the fee to your total, and include your email address so we can send you all the information you need to get started!
