Guitar Stars!

Fall 2016

Union Ridge Elementary

Beginners Welcome

Become
a Rock Star!

GRADES 1-6

Afterschool Guitar Stars. No previous knowledge of guitar or music is necessary. The children will learn the fundamentals of guitar playing, including holding the guitar and pick, proper fret-hand finger position, sight reading, playing by ear and playing basic songs. Returning students will be taught chords and other harmony parts to accompany the class. Returning students will also be taught "blues" scales and will be encouraged to improvise with these scales. Each child will receive a participation award and guitar-related prizes.

GUITAR REQUIRED. A basic inexpensive guitar can be purchased through Amazon.com by searching for "First Act FG127." IF YOU NEED INFORMATION ON PURCHASING A GUITAR, CALL JOHN SUITS AT 773-286-2941.

Course Time: Wednesdays, October 26th - December 14th, 3:45 PM - 4:45 PM

No class: 11/23 (7 Classes)

To sign up for Guitar Stars, please visit <http://payment.learningmeansfun.com/signup>.

You will need to enter the class code **UNR10.26.16** in order to register. Please register by 10/19 for the early bird price of \$99.99.

If you have difficulty registering, please contact Afterschool Enrichment Solutions at 847-482-9999 or info@learningmeansfun.com
No refunds will be made, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. It's the parents' responsibility to remind the children about the classes.

Let's Build It Engineering!

Fall 2016

Union Ridge Elementary

STEM Learning

GRADES 1-6

HANDS ON

Let's Build It - Chain Reaction in Action! The ball rolls down the ramp, turns the switch, that moves the post, that activates the zip-line, that knocks the ball down the ramp and into the goal! In this STEAM program, students will be building Rube Goldberg "Mouse Trap" chain-reaction machines featuring levers, pulleys, and other simple machines. Engineering and physics concepts will be introduced and reinforced through hands-on, innovative lessons and creative play time. Problem solving skills and teamwork will be put to the test as the complexity of the projects increases from week to week. On the final class, there will be a building competition - How many contraptions can you connect in chain reaction? No previous experience is necessary, just a desire to learn and build. Each student will receive an award on the last day of the session, and have the opportunity to earn Energy Belts to demonstrate their learned skills!

Course Time: Mondays, October 24th - December 12th, 3:45 PM - 4:45 PM

No class: 10/31 (7 Classes)

To sign up, please visit <http://payment.learningmeansfun.com/signup>.

You will need to enter the class code **UNR10.24.16** in order to register. Please register by 10/17 for the early bird price of \$99.99.
