

CHESS WIZARDS®

Strategies for Life

Join the Chess Wizards Community!!!

Let your child be part of an exciting and successful chess academy. Chess Wizards is offering specially designed classes that cater to all levels of chess ability. Each child is challenged by fun games and lessons from real Wizard teachers.

Chess Wizards is one of the largest chess academies in the nation, with hundreds of programs at schools and park districts. We run a number of tournaments, school matches, and winter/summer camps to challenge our students. We have been featured in the Chicago Tribune, the Chicago Sun-Times, Chess Magazine, and more.

Our academy is so successful because our approach is so unique. Classes and lessons are based around our original, fun, and high-energy Chess Wizards curriculum. Regardless of a child's ability Chess Wizards makes chess fun for all!

It is proven that chess enhances cognitive development in children, improves both verbal and mathematical skills, and increases all levels of academic performance! Playing chess stimulates the mind and helps children strengthen skills such as focusing, visualizing goals, abstract thinking, and forming concrete opinions.

Let your child be part of the fun today!
