PARENT INFO MEETING

- Programs for next year
- New Access criteria
- Ideas to help maintain skills over the summer

Refreshments will be served. Each family of a Kindergarten or 1st grade student who attends will walk away with a free summer reading pack for their student!

Dear Parents,

Your son/daughter will be required to purchase a **gym uniform** for **Physical Education** for the upcoming school year. As 6th graders, students will be changing in the locker room and assigned their own gym locker.

Students keep their gym clothes in their gym locker during the week, and take home their clothes home every Friday to be washed and brought back for the following week. Please make sure your child has a deodorant but it cannot be a spray.

Please check the appropriate size for a shirt and shorts. Remember, these will be used in grades 6th-8th, so please plan your child's size accordingly. Students can also order a Union Ridge sweatshirt and/or sweatpants. These are not required but can be worn over the gym uniform. We will be going outside until November. The uniforms will either be distributed at the end of this school year or the beginning of next school year.

Please turn in this form to your Physical Education teacher as soon as possible.

Check or cash should be returned with the form below in a sealed envelope with your child's name.

All checks should be made payable to "Union Ridge School".
