FRIDAY SEPTEMBER 30, 2016

**STEM
SCOUTS®**

SCIENCE
TECHNOLOGY
ENGINEERING
MATH

Shape. Tinker. Explore. Make.

STEMScouts.org

We are hoping to bring STEM Scouts to Union Ridge School this fall!

STEM Scouts is a co-ed program for students in the 3rd-8th grades. There will be an informational meeting for parents on **Thursday, September 22nd, at 6:30 pm.** For more information, visit <http://stemscouts.org/signup-night/1762/> or contact Kristen Vogt at kristen.vogt@scouting.org or 312-421-8800 ext. 232.

DO MORE. SEE MORE. KNOW MORE.

It's your world now. Explore it.

Elementary:

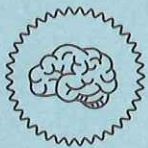

Get hands-on and turn your brain on. Do cool experiments. Share ideas. Lead friends. Learn the basics in a fun, friendly way.

Middle School:

Take things to the next level. Dive deeper into the wonders of your world. Spark. Tinker. Experiment. Make it happen.

High School:

Collaborate with scientists and STEM professionals. Be mentored. Develop your potential to shape the future and your career.

GROW NEW SKILLS

STEM Labs are a chance to be creative; develop leadership, problem-solving, teamwork and communications skills; and learn to think like a STEM professional.

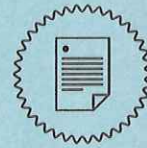

LEARN BY DOING

See how real companies use hands-on experiments, like those in STEM Labs, to invent new technologies, medicines and ideas that change lives.

PREPARE FOR THE FUTURE

Mentors, research skills and the opportunity to publish in a peer-reviewed journal increase chances for college scholarships.

BUILD A CAREER

See how real people in real companies use experiments like the ones you do in STEM Scouts to invent the future.

Why just read about science when you can get your hands dirty? STEM Scouts changes the way you discover science, technology, engineering and math (STEM). Get your hands dirty in fun, fast-paced weekly labs. Work with STEM professionals. Learn new things about STEM—and about yourself.

Earn electronic badges as you achieve goals. Find electives in topics that interest you. Challenge yourself and take your experiments to a higher level. Make new friends. Learn to lead. Get a head start on college and careers. See the world in a new way. Explore it with STEM Scouts.

September 13, 2016

Dear Students and Parents:

Once again this winter season 2016-2017, the Village of Harwood Heights would like to provide a list of persons to our residents who are available for snow removal. The persons on the list will provide snow removal only for Harwood Heights and bordering areas of Norridge.

Payment arrangements are to be made between yourself (snow remover) and whoever contacts you from the list. The list is for informational purposes only and does not create any liability upon the Village of Harwood Heights or its agents or the volunteer herein.

Please complete the bottom section and return it to the Village of Harwood Heights, 7300 West Wilson Avenue if you are available to remove snow for residents. You may also call us at 708 867 7200 and leave your name, phone number and the area in which you will work to remove snow. Once again, thank you for providing this service.

Sincerely,

Arlene C. Jezierny
Mayor

Return this section to Harwood Heights Village Hall, 7300 W. Wilson Ave., Harwood Heights, 60706 or call us at 708 867 7200 with the information!

I will provide snow removal for winter 2016-2017 for the following areas:

Name	Phone Number	Area that you will work

7300 West Wilson Avenue
Harwood Heights, Illinois 60706
Tel (708) 867-7200
Fax (708) 867-3038
www.harwoodheights.org
